

F&BA and the San Diego Blood Bank Joins Forces in Life Saving Blood Drive

Please request that your donation will be credited to SDFB account where it will accumulate for the benefits of our members for use by them or employees who need blood.

We never know when one of us, or someone near us will benefit from the life saving blood given.

Here are the basic requirements for scheduling a blood drive

- ☺ Schedule appointments for at least 34 donors for the blood drive. The Blood Bank can handle a maximum of approximately 55.
- ☺ Drives are scheduled for 5-6 consecutive hours between 10am and 5pm.
- ☺ Onsite contact for each location.
- ☺ Level area to park the bus, approximately the size of 8 parking spaces.
- ☺ Restrooms available for staff.
